Contact

You can use the [Find A Grave Community Forums](#) to get answers from other members to many of your questions. Be sure to find the first post on any of the official forums and follow the instructions listed there.

edit@findagrave.com

Use this email to request that a memorial be added to Honoring, Interesting Monuments, or Interesting Epitaphs or to mark a memorial as a cenotaph, report an inappropriate biography, and any other issues concerning memorials.

Note: to suggest changes to name, birth/death, plot, inscription, family links, use Suggest Edits on the memorial.

info@findagrave.com

This is where you would report copyright issues, an unresponsive transfer requests or a deceased contributor; assign Fallen Graver stewardship or send all other questions.

cemetery@findagrave.com

You can use this email or the [Cemetery Correction/Update forum](#) to submit cemetery updates including adding a cemetery bio, GPS, address, town, name corrections, and AKAs.

famous@findagrave.com

Send issues concerning famous memorial bios, duplicates or Posthumous Reunions to this email. For suggestions about the name, birth/death, plot, inscription or family links on famous memorials, use the Suggest Edits on the memorial.

geography@findagrave.com

Use this email to suggest a missing location, correct a location spelling, report duplicate location in the geographic database or other geography questions. Read here "How do I add a location that does not show in your database?" before submitting. Note: Do not use for cemetery updates or duplicates.
