

September/October 2024

Volume 29, Issue 5

MISSION: Our mission is to stimulate an interest in studying family history and genealogy, and assist persons who are researching their family history. Whether a person begins their search with documents and a name, or through a DNA test, searching for family members is what we do.

VISITORS WELCOME!

Welcome Autumn and Falling Leaves!

Join us for:

- ❖ **Discussion Group** – First Tuesday of the month from 1:00 pm to 3:00 pm, In-Person at the Roseville Main Library Conference Room (225 Taylor Street) and also using ZOOM – Genealogy questions welcome, plus sharing of genealogy ideas. (Jan-May & Jul-Nov)
- ❖ **General Meeting with Speaker** – Second Tuesday of the month from 1:00 pm to 3:00 pm. In-Person and Zoom at the Maidu Community Center (1550 Maidu Drive in Roseville) and an occasional evening Zoom meeting. A brief general meeting will be followed by a presentation on genealogy research topics. (Jan-May & Jul-Nov)

RGS Election of Officers will be held in November 2024. Remember, all RGS officers are volunteers and need to rotate off the Board sometime; even if they come back later to volunteer again. The Board works together for the good of our group.

Please consider volunteering to serve one year or share an office. If no one volunteers, one day there may not be a genealogical group to attend.

Genealogy Resources

Carolyn Lewis shared the following information about a Genealogy YouTube Program she recently viewed by Kathryn Grant, discussing using timeline GRIDS for Family History that let you:

- Record knowledge of ancestors/families
- Remember what you found
- Review what you are still trying to find
- Improve accuracy in tracing ancestor/family information over time

The following link provides a website that has multiple versions of timelines for use with: GoogleDrive, Word, Excel, Pages (Mac), and Numbers (Mac).

Alan Vanatta shared the following URLs (weblinks) of sites that may assist researchers in finding information about ancestors/families and/or the times they lived.

The Wayback Machine is an initiative of **the Internet Archive**, building a digital library of Internet sites and other cultural artifacts in digital form and other projects include Open Library & archive-it.org.
