Volume 29, Issue 4

MISSION: Our mission is to stimulate an interest in studying family history and genealogy, and assist persons who are researching their family history. Whether a person begins their search with documents and a name, or through a DNA test, searching for family members is what we do.

Naturalization Oath of Allegiance to the United States of America

Few of today's American Citizens descend for the Indigenous Peoples who inhabited North American in the 1600s. We all are immigrants from one or more countries. Let's celebrate the 4th of July 2024 by honoring our ancestor who struggled so hard to pass on citizenship in this great country we call the United States of America, by renewing our commitment to support and defend the Constitution of the United States.

"I hereby declare, on oath, that I absolutely and entirely renounce and abjure all allegiance and fidelity to any foreign prince, potentate, state, or sovereignty, of whom or which I have heretofore been a subject or citizen; that I will support and defend the Constitution and laws of the United States of America against all enemies, foreign and domestic; that I will bear true faith and allegiance to the same; that I will bear arms on behalf of the United States when required by the law; that I will perform noncombatant service in the Armed Forces of the United States when required by the law; that I will perform work of national importance under civilian direction when required by the law; and that I take this obligation freely, without any mental reservation or purpose of evasion; so help me God."

Roseville Genealogical Society turns 33 years old this year!!

Editor's Note: This issue is shortened as I am on a "stay-cation" doing my own genealogical research.

MUSEUM TOURS – Visiting area museums can be a fun experience, as well as provide information on what life was like when your ancestor(s) lived. Tours continue throughout the summer. Check their website for further information.

Placer County – offers a **Heritage Trail Museums Tour** during the summer. Plans are underway to open 25 museums from Roseville to Tahoe/Truckee free of charge on certain days throughout the summer of 2024. Geographic clusters of museums will have their Heritage Trail event on certain Saturdays (and one Sunday). Check out the website for dates, times, and places. A fun way to enjoy summer days. <https://www.placer.ca.gov/7375/Heritage-Trail>.

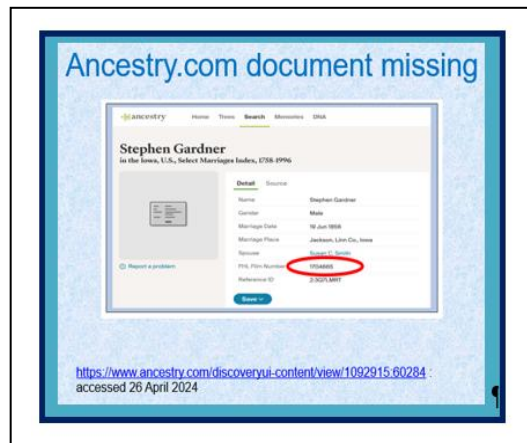

Genealogy Tip

Is the Document really viewable?

Sometimes a document mentioned in Ancestry.com is missing.

If the Ancestry entry lists a Family History Library (FHL) Film number, open FamilySearch.org and search the catalog for the film. The document may be accessible on FS.org, though you may need to search the document pages to find the specific record.

Educational Opportunities

Check the area in which your ancestor lived. The Genealogical and/or Historical Society of the area may hold virtual conferences or seminars, which will help you learn more about the area in which your ancestor lived.
